RACE 1 - BUNBURY & EATON VET CLINIC - BUSSELTON

Our Club Summer Series of Sprint Distance and Enticer Races are about to get underway with Race 1 to be held at the Busselton Foreshore on Sunday, 30 October.

This friendly course provides a great introduction to Club events, with participants having the option of participating in either a Sprint distance (750m swim, 20km bike ride and 5km run) or Enticer distance (250m swim, 10km bike ride and 2.5 km run) event. The course will be the same as last year's Busselton Club

races with transition in the car park of the Busselton Sea Rescue Centre. The swim leg will be in the clear waters of Geographe Bay along the coastline and under the watchful eye of the Busselton Surf Life Saving Club. The ride will be under closed road conditions as an out and back loop along Geographe Bay road and the run will be also an out and back loop along the foreshore walkway.

On the conclusion of the above races, our Trystars will be in action as they also take advantage of this fantastic course.

All information is available on the [participant overview](#) which can also be viewed on the BTC website. [Registrations](#) are now open with the link also on the BTC website.

This year we will be holding handicap races at our Wellington Dam venue (Race 3 & 5) with handicap times determined from our first two races. Participating at our Busselton race will ensure you are eligible to result in our subsequent handicap races.

Volunteers are needed to assist with the race so if you are available to assist, please register as a volunteer via the above registration link or contact Kate Lefebvre on 0427 653 331.

Finally, a big thank you to Braden and Dee Collins at Bunbury & Eaton Vet Clinic for sponsoring this race as well as our handicap series to be held at Wellington Dam.

CLUB SUNDOWNER

To welcome the start of the season a Sundowner is being held at Casellas Wine Tapas and Grill on Friday 28th October between 6:00 and 7:30pm at the restaurant's function room.

Please come along and take the opportunity to catch up with fellow Club members both old and new. Finger food will be provided and you will have the opportunity to meet your new Club Committee as well as be provided with an overview of the Club's planned activities for the 2016/17 season.

BUNBURY SURF TO SURF FUN RUN

Yesterday's Bunbury Surf Life Saving Club (SLSC) Fun Run was a huge success, not just for the SLSC but also for our members, with a huge level of participation and some fantastic results

achieved. As a Club, we won the South 32 Fast Five Corporate Challenge of Runners versus Triathletes, winning all three distances with the following times:

5km Run Challenge total time 1:41:08

10km Run Challenge 3:53:37

Half Marathon 7:45:08

We were also the fastest 5 across the 23 Corporate Teams registered in the 5 km Challenge as well as the largest Corporate team with 45 registered runners.

A fantastic effort by everyone who participated. Likewise, thank you to Club members who volunteered with the running of the event on the day.
